May Be Necessary for Justice to Commence Suit to Effect

Washington, Nov. 18 .- The name of Justice Charles E. Hughes, of the Supreme Court, will not be permitted to continue on the Nebraska Republican Republican nomination for the Presidency. It was made clear to-day that Justice Hughes would take any step have his name kept off the ballot and out of discussions, as a possible Republican numines. Justice Hughes is not a candidate for the nomination, and does not purpose to nighter who knows managers.

be a candidate. It is understood that Justice Hughes believes no comment will be necessary beyond the action of demanding that his name be removed from the ballot. Washington, will be entirely sufficient and will satisfy his admirers that he has no sympathy for their attempts to be made and the high-priced ticket thought that his determined and prompt action in the Nebraska case will prevent similar demonstrations in agent, for more than \$2.50. The Tyson that states.

William A. Brady last night issue! a long statement, in which he related to history of the ticket fight and hitterly attacked Klaw & Erlanger. One sentence in this statement is: "They retend to be sintered in the public about some of the outrageous charges made by some of the agents, but all the time agent, for more than \$2.50. The Tyson they have been scheming to obtain control of the theatre ticket agencies."

nated in the brains of some politicians sho feared that the continual mention of his name as a candidate would in-jure the chances of the particular canuse of his name on the primary ballot in Nebraska, they are believed to have planned that method of getting him out of the way, so that their candidates would have a better chance of capturing the delegations of western primary

Justice Hughes, it was pointed out, could not allow his name to be used on the ballot in Nebraeka while he remained on the Supreme bench. If he desired to be a candidate, he would the highest court ing persons who were con-

idering his candidacy.
As soon as the dispatch from Ne-preska, telling of the petition to place his name on the ballot was received

An interesting phase of the situation was brought about by a telegram from theoln, that Attorney General Reed held that, under the law of the state. Justice Hughes could not withdraw his the Attorney General, if correctly quoted, it was said here, would bind the Secretary of State of Nebraska, as a result of which court proceedings

accomplices of Robert Fay in a plot to blow up ships carrying munitions and foodstuffs to the Allies and the indict of their theatres as they see fit."

This came as the climax to the struggle which has been going on for several weeks, and has not been unexseveral weeks, and has not been unexsev propagandists in this country.

At the end of yesterday's meeting there was some talk of getting together again, and a few managers said that the arrangement was only tember of the second state of t trict Attorneys Knox and Wood. Mr. brought against the British staff in Wood, in an interview preceding the conference, declared that the government had evidence tending to show that wast sums of money used by the Teutonic agents in this country were dis-tributed by a high German diplomatic ports that during the recent fighting

more of his overtures.

Fay was willing to plead guilty on Sunday and Monday. Then he was apparently friendless. After talking with Henry W. Unger, his new counsel, one of the town's high priced lawyers, Fay underwent a change of heart.

Contesses He Lied.

"When I was here yesterday I was under a misapprehension," he said in the Federal Building yesterday. "I thought I would be permitted to plead guilty to one count in the indictment, thus getting off with a maximum sentence of two years."

"No one asked you to come here," said Mr. Marshall. "You may go back to the Tombs."

In his last talk with the government representatives, it became known yesterday, Fay repudiated all that part of his several confessions which implicated his associates or the German government.

"I am not a member of the German government.

"I am not a member of the German government.

"I am not a member of the German government.

"I am not a member of the German government.

The people were sending their sons cut to fight under the direction of men. Lord St. Davids declared, who were living at headquarters in vast numbers and could not get early to their offices because they were up late playing bridge.

The Marquis of Crowe, Lord Privy Seal, replied that the allegation that success at Loos had been missed owing to the failure to bring up reserves at the right time was the subject of an inquiry between the highest authorities that could be invoked.

Baron Newton, who said he was unsable to disclose the number of the British staff, defended it, as did also Viscount Haldane, ex-Secretary for war, Lord Haldane, ex-Secretary for war, Lord Haldane declared that Lord St. we have the said to disclose the fill and the private of the British Headquarters in the continued, that we may be a said to file. It had been stated, he continued, that women visited headquarters of the growing the file. It had been stated, he continued, that women visited headquarters of the growing the file.
